For Immediate Release

February 20, 2025

City of Rensselaer Sanitation Department

Due to liability purposes, the City of Rensselaer Sanitation Department will extend the suspension of recycling drop off at the recycling center until further notice. However, in an effort to offer continuous service and lessen the inconvenience to our customers we will be offering alternative drop off services.

There will be a recycling trailer set up at Iroquois Park & Columbia Park for recycling drop off. We encourage our rural customers and those who don't participate in our curbside service to take their material to the designated drops off locations.

For electronics disposal, please call the Street Department at (219) 866-7833.

Note: The Sanitation Department asks that those who elect to utilize the drop off locations properly sort their items in each bin that is provided & refrain from leaving trash or non-recyclable materials.
